

Activity Report of the European Pole of Knowledge

May 2025 – End of April 2026

All services offered by the European Pole of Knowledge network to schools were entirely free of charge. The network received voluntary support from the teachers' bonus.

- **School complexes, universities, associations, foundations registered:** 4,734
- **Teachers reachable through network initiatives:** not less than 250,000
- **Teacher attendance hours in projects and training:** 2,518,932

1. European Projects

Successfully Completed European Projects in 2025:

- **E-engAGED (CERV programme):** Intergenerational training (youth – elderly) for preventing the spread of fake news and promoting media literacy.
- **No barriers for employment (Erasmus KA220 ADU):** Facilitating the integration of people with disabilities into the labor market.
- **Art for Autism (Erasmus KA220 YOU):** Art and creativity to foster the inclusion of young people with autism spectrum disorders. The project will train both educators and the youth themselves.

Ongoing European Projects (as Coordinators and Partners):

- **Let's Care (Horizon Europe):** Research project to identify key determinant factors affecting student security as the root cause of underachievement, disengagement, and school dropout.
- **EDIGIT - Education and Digital literacy to Grow Inclusive Talents (Erasmus KA220 SCH):** Promoting STEM as a tool to facilitate the inclusion of people with physical disabilities.
- **Erasmus+ Mobility Accreditations (Adult & School Sectors):** Accreditations for approximately 200 participants (including 100 students).

European Projects Submitted Since October 2025:

Funding Programme / Action	Submitted Projects
Erasmus+ Centralised	16
Erasmus+ KA2	16
Erasmus Capacity Building	5
CERV	6

Horizon Europe	42
Digital Europe	3

2. European Mobility

Student Mobility (Lower and Upper Secondary Schools):

- **Mobility in Bulgaria:** Various locations with visits to schools and artistic-cultural heritage – 110 students and 11 accompanying staff.

Training Courses Abroad for Teachers:

- **Training courses in Madrid (Spain):** Organized in collaboration with the Horizon project LET'S CARE on the topic "Safe teaching for inclusion and well-being of the learners". 4 course editions (November, March, April, May) with 44 participants.

European Mobility Activities Planned by July 2026:

- **Cultural activities in Klaipeda (Lithuania):** For seniors from the GER.CO.GEM association and youth from the Più di un Sogno foundation – 20 participants.
- **Job shadowing for teachers and trainers:** At Freinet schools in Mons en Barœul (France) – 12 participants.
- **Job shadowing for teachers and trainers:** At kindergarten schools in Madrid (Spain), in collaboration with OMEP Italy and Spain – 10 participants.
- **Conference on Early Childhood Education and Janusz Korczak:** In Poznań (Poland) in collaboration with OMEP Italy – 7 participants.

→ **TOTAL PARTICIPANTS IN MOBILITY: 214**

3. Training Courses Organized and Managed by the Network

Research Groups Activated Since October 2025:

- **Art and Neurodivergence Research Group:** 463 registered – 332 attendees across 3 meetings
- **Cinema and Education Research Group:** 65 registered – 32 attendees across 2 meetings
- **Gifted and High Ability Research Group:** 79 registered – 213 attendees across 6 meetings
- **Mathematics in Action Research Group:** 41 registered
- **Origin and Development of Educational and Humanist Consciousness Research Group:** 338 registered – 227 attendees across 3 meetings
- **Digital Security and Artificial Intelligence Research Group:** 458 registered – 156 attendees across 2 meetings
- **Fascism, Resistance and Anti-Fascism Research Group:** 22 registered
- **Educational Robotics Research Group:** 117 registered – 145 attendees across 9 meetings

- **Educational Value of Cultural Differences Research Group:** 143 registered – 113 attendees across 5 meetings
 - **Democratic Evaluation Research Group:** 382 registered – 696 attendees across 12 meetings
 - **Service Learning Research Group:** 544 registered – 853 attendees across 5 meetings
 - **Nonviolent Education Research Group:** 763 registered – 1,160 attendees across 15 meetings
- **TOTAL REGISTERED (eligible for asynchronous learning):** 3,415
- **TOTAL ATTENDANCE:** 3,927
- **TOTAL TRAINING HOURS (excluding organizational meetings of research groups):** 118

In-Person Training Courses (June 2025 – April 2026):

- **Alessandra Dolci - School Against the Mafia:** 305 registered – 196 participants
 - **White Art – Bread and Pastry:** 100 registered – 100 participants
 - **Education and Books for Peace:** 14 registered – 6 participants
 - **Upside Down World: Why War and Not Peace?:** 116 registered – 41 participants
 - **Initial Training Workshop on Freinet Pedagogy at the University of Bologna:** 104 registered – 169 attendees across 3 meetings
- **TOTAL PARTICIPANTS:** 447
- **TOTAL TRAINING HOURS:** 82

Online Training Courses (May 2025 – April 2026):

- **Environmental Safety in Schools: Indoor Quality:** 194 registered – 82 attendees across 2 meetings
 - **English with Prof. Leslie Yarrow:** 643 registered – 1,009 attendees across 34 meetings
 - **English with Prof. Maria Pia Girolami:** 253 registered – 670 attendees across 35 meetings
 - **Advanced Training on Freinet Pedagogy:** 26 registered – 66 attendees across 4 meetings
- **TOTAL REGISTERED (eligible for asynchronous learning):** 1,116
- **TOTAL ATTENDANCE:** 1,827
- **TOTAL TRAINING HOURS:** 202

4. Training Executive Summary

Metric / Indicator	Value
Number of Training Courses	10
Research Groups (Total)	12
Number of Individual Lessons	144
Total Training Hours Delivered (In-Person & Online)	402 hours
Total Lesson Attendance	6,266

Total Registered Participants for Training	5,170
Total Hours / Attendance in Training	2,518,932
Certificates Issued (May 2025 – April 2026)	Over 3,400 (Note: courses still ongoing)
Total Course Video Views on Tubedu	Over 50,200 views
Total Video Recordings Uploaded on Tubedu.org	997

5. Conferences 2025 – 2026

- **November 8, 2025:** Second Edition of the National Forum of Schools for Nonviolent Education (<https://www.europole.org/seconda-edizione-del-forum-nazionale-per-leducazione-nonviolenta/>) – 180 participants.

Planned Conferences:

- **May 16 – 17, 2026:** Re-humanizing Education (<https://www.europole.org/ri-umanizzare/>) – 200 expected participants.
- **October 29 – November 1, 2026:** Convergence(s) Biennale in Verona (<https://biennale2026-convergence.europole.org>) – 350 expected participants.

6. Digital Communication Channels of the Network

Viber Platform Chats and Mailing Lists created, organized, and managed by the Network: Direct communication systems enabling rapid contact and delivery of important information to course teachers.

National and International Mailing Lists:

- **European Pole of Knowledge - Network of Educational Institutions:** 4,734 registered
- **Newsletter:** 10,023 registered
- **Anti-Fascism and Resistance Group:** 24 registered
- **Art and Neurodivergence Group:** 76 registered
- **Educational Cinema Group:** 326 registered
- **Cultural Diversity Group:** 144 registered
- **Gifted Group:** 278 registered
- **Active Mathematics Group:** 45 registered
- **Origin of Consciousness Group:** 629 registered
- **Educational Robotics Group:** 98 registered
- **Service Learning Group:** 482 registered
- **Environmental Safety Group:** 174 registered
- **Digital Security Group:** 407 registered
- **Democratic Evaluation Group:** 1,226 registered
- **Nonviolent Education Forum:** 725 registered
- **Coding Training Course Mailing List 2025:** 194 registered
- **Nonviolent Education Training Course Mailing List 2025:** 781 registered

- **Managing Difficult Classes (Kindergarten-Primary) Training Course:** 142 registered
- **Managing Difficult Classes (Secondary) Training Course:** 237 registered
- **Web Dangers Training Course:** 193 registered
- **Gifted Students Training Course:** 265 registered
- **Autism Spectrum Disorders Training Course:** 355 registered
- **STEAM Training Course 2025:** 74 registered
- **Tinkering Training Course 2025:** 137 registered
- **Artificial Intelligence Training Course:** 137 registered
- **Educational Evaluation:** 403 registered
- **Webinar Prof. Alberto Oliverio 2025:** 687 registered
- **Webinar Prof. Anna Oliverio Ferraris 2025:** 269 registered
- **Difficult Classes:** 1,102 registered
- **RicercAzione (ResearchAction):** 952 registered
- **Nobodyless Community Network:** 890 registered
- **Grade-Free Schools (Scuole senza voto):** 728 registered
